**Quite Different
Example No. 10**

During the past 20 years we have sold a vast aggregate of bonds, comprising steam railroad and industrial issues, with occasionally some unique and well selected electric railway obligations—but at present we have a bond different from all the rest.

Recurring Opportunities

We now offer, to yield about 5.20%, the bonds of a prominent and prosperous New York City corporation. The real estate holdings and improvements are worth double the bonds. Earnings are large and are increasing rapidly. The issue is listed in New York and Amsterdam. The bonds are not callable and, for numerous reasons, should advance.
